

CASE STUDY:

BG Install: Transforming The Quays Leisure Centre with LX Hausys Interior Film

When BH Live set out to refresh The Quays Leisure Centre in Southampton, they needed a fast, sustainable solution that didn't compromise on quality. BG Install, supported by All Print Supplies, delivered exactly that - using LX Hausys Interior Film to achieve a cost-effective, durable transformation across the site.

SPECIALISTS IN ARCHITECTURAL FINISHES

BG Install, based in Portsmouth, has built a reputation as a specialist installer of architectural films and interior surface solutions. Their expertise lies in delivering high-quality refurbishments that combine durability, design impact, and sustainability, transforming tired interiors into fresh spaces without the need for costly replacements.

A FULL REFIT IN JUST TWO WEEKS

Working to a tight deadline, BG Install used 800m of film to wrap lockers, cubicles, toilets, and front-of-house areas, completing the entire refurbishment in just two weeks. Wrapping the structurally sound lockers avoided unnecessary replacement costs while still delivering a consistent, modern finish. Material usage was optimised even further thanks to BG Install's new flatbed CNC machine, ensuring a more sustainable installation process.

PREMIUM PRODUCTS, FLAWLESS RESULTS

Two LX Hausys finishes were specified for the project, creating a striking contrast that balanced sophistication with vibrancy.

- **RS52:** A dark grey solid finish, offering a sophisticated, modern look.
- **RS191:** A bright, versatile orange that injected a bold pop of colour, ideal for high-traffic areas.

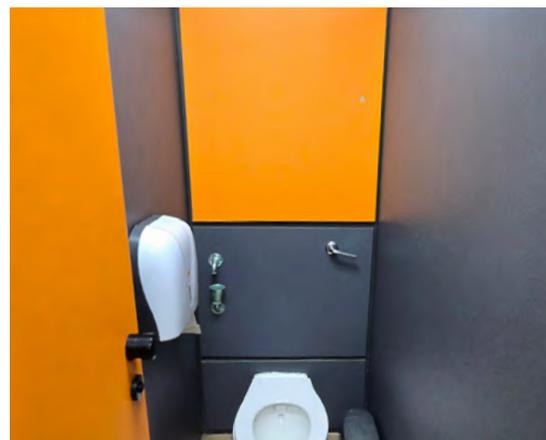

Renowned for their consistent quality and ease of application, both films helped BG Install to deliver a flawless and impactful finish.

A PARTNERSHIP THAT DELIVERS

The project's success has already led to further projects in the pipeline. For BG Install, the combination of LX Hausys Interior Film and All Print Supplies' expert support proved key to exceeding client expectations.

“ ”

“All Print Supplies make it easy, from product sourcing to technical support, and the relationship we've built over the years gives us confidence on every job. The price point for LX Hausys is spot on the quality is consistently excellent”
