

CASE STUDY:

Lavastar: Delivering Stand-Out Hoardings Nationwide with All Print Supplies

Based in Farnham, Surrey, Lavastar is one of the UK's leading specialists in construction and office signage. From bespoke one-off installations to nationwide rollouts, Lavastar thrive on challenging and creative projects that push the boundaries of what's possible in print and installation.

Working across the UK, the team deliver striking hoardings, building wraps and bespoke office signage projects for some of the country's biggest developers and fit-out contractors. Quality, service, and precision sit at the heart of everything they do.

TRUSTED PARTNERS FOR QUALITY VINYL SOLUTIONS

For Director Ed Kelsing, having a reliable supply partner is essential to keeping projects running smoothly, and that's where All Print Supplies comes in. "When you run a business like ours, there's no room for error. APS give us the confidence that every product will perform exactly as promised and their advice is always spot on."

All Print Supplies are Lavastar's go-to supplier for all their vinyl requirements, supplying a wide range of materials from leading manufacturers to meet the diverse demands of different sites and surfaces. Rather than juggling multiple suppliers and catalogues, Lavastar benefit from APS's comprehensive range, simplifying procurement and ensuring consistency from project to project.

PREMIUM PRODUCTS THAT PERFORM

Lavastar use a range of specialist self-adhesive films from All Print Supplies, including:

→ **Mactac WW100 Pro Conformable Wall Print Vinyl**
Designed for textured surfaces such as brick and concrete, offering excellent conformability and long-term outdoor durability.

→ **NU-COAT M15 with NU-COAT M25 laminate**
Ideal for rough external surfaces, providing vibrant print quality and reliable adhesion even in challenging environments.

→ **DigiPRINT DS3054**
An ultra-clear gloss window film offering outstanding optical clarity and a clean 'no vinyl' appearance, ideal for high-impact glass graphics and internal glazing applications.

These products are key to Lavastar's hoardings, brick wraps and optically clear installations, ensuring each project not only looks exceptional but stays looking that way.

EXPERT SUPPORT, EVERY STEP OF THE WAY

Beyond product supply, Lavastar value the technical support and expertise that All Print Supplies provide. When projects require creative problem-solving or unusual applications, they are a trusted sounding board. "Paul's advice has been invaluable. His experience gives us clarity when we're planning complex installs. That level of support is rare, and it saves us time and risk on site," says Ed.

Now celebrating ten years in business, Lavastar continue to grow as a major player in the construction signage industry, known for their creativity and commitment to quality. With All Print Supplies as their supply partner, they have the assurance of consistent product quality, expert technical guidance, and a relationship built on trust.

“ ”

“APS take a lot of pressure off us. They make sure we have the right product every time, and that reliability means we can focus on doing what we do best - creating bold, high-impact signage that makes a statement.”
