The colours shown in this chart are only a representation and will be dependent on your screen performance. They should not be used to colour match. If you are unsure of the exact colour you require we highly recommend you use your copy of the APS-CHAMELEON II GUIDE or contact the sales office for actual media samples to use in any colour matching work. All technical information is based on manufacturer's claims and is believed to be true at time of print but does not constitute a warranty. Due to the complexity of end use the purchaser should carefully consider the fitness and performance of the product for their own application or use.
