The colours shown in this chart are only a representation and will be dependent on your screen performance. They should not be used to colour match. If you are unsure of the exact colour you require we highly recommend you use your copy of the APS-GALAXY GUIDE or contact the sales office for actual media samples to use in any colour matching work. The CMYK and RGB references are a guide only and based on our measurements, reproducing these colours is device dependant, we suggest you check your individual application for colour accuracy.
