

Speciality Mirror Effect Film

Indulge your space with this specialty mirror effect film!

MS190 Total Mirror Silver

Embrace MS190 Total Mirror Silver with its remarkable two-way mirror effect that effortlessly adds depth to any surface.

- Two-way mirror
- Flat surfaces & subtle curves
- Scratch free

A 190 μ polyester printable mirror film that ensures exceptional dimensional stability while being easy to install.

Total Mirror serves as a substitute for mirrors in diverse environments, ranging from decorative uses like fashion stores to safety applications in hospitals, as well as in locations susceptible to vandalism, such as petrol stations.

Enjoy the flexibility of this film, allowing you to shape it as you desire, even on 1D curved surfaces, providing a customized and cost-effective solution.
