

# Self-adhesive wall magnetic, 0.55mm

## Product description

0.55mm self-adhesive brown magnet for magnetic walls.

---

## Typical uses

Suitable for indoor use. Product is a self-adhesive, non-printable magnetic material onto which quick change printable ferrous products such as our FCP200 are positioned.

---

## Shelf life

2 years when stored in original packaging at 21°C and 50% RH.

Must be stored on end, or suspended, due to weight of product. Keep away from moisture and high heat.

---

## Physical properties (Average Values)

Tests made at 23°C and 50%RH unless otherwise stated

**Compliances:** Phthalate free, Plasticiser free and REACH compliant.

**Total thickness:** 0.60mm ±0.1mm

**Adhesion:** ≥ 8.0 N/25mm

### Temperature ranges:

Application Range: plus 8°C to plus 30°C

Service Range: minus 5° to plus 40°C

**Pull Force:** >42g/cm<sup>2</sup>.

**Pole Pitch:** 1.5mm

---

## Application Data

Product must be applied to smooth, clean and dry surfaces.

Supplied in roll widths of 1000mm. It can be easily cut to build up a larger surface area as a base for wall graphics. Avoid finger contact with the adhesive during application. Ensure that all areas are in firm contact with the surface, remove all air bubbles and only apply to flat surfaces. Keep magnetic surface clean to ensure good contact between magnetic and graphic.

**In summary** - Use 0.55mm magnetic with our printable *FCP200* to create 'quick-change' graphic solutions that consists of only two key parts:

Part 1. A permanent 'magnetic wall' made of our 0.55mm self-adhesive magnetic material, which is left in situ

Part 2. Changeable graphics made with FCP200 or similar which cling onto the 'magnetic wall', and can be changed or replaced as often as your campaign dictates

All technical information is based on manufacturer's claims and is believed to be true at time of print but does not constitute a warranty. Due to the complexity of end use the purchaser should carefully consider the fitness and performance of the product for their own application or use.  
We reserve the right to make changes to specifications without prior notice.
